Please don't hesitate to send us any prayer needs and concerns you may have - we are praying for each of you! Message or call a staff member with your prayer requests or simply add your request to the **prayer wall** of our church app. Go to: <https://tithely.app.link/first-baptist-church-of-flushing> to download the FBC APP for IOS or Android. And remember to message your friends, and especially the elderly, to see how they're doing and to pray with them.

May the presence of God fill your homes and work places and spaces. May He grant patience and wisdom to parents who have to homeschool, diligence to college students who have to learn online, and financial resources for those whose jobs have been affected. May the grace and peace of our God and Savior, Jesus Christ, flood our city, nation and world!

Let's choose faith over fear,
Pastor Gary Domiano

PS – Don't forget to wash your hands and take plenty of Vitamin C.
