## REST ON US

Praise songs used by permission. CCLI #334452

As the Spirit was moving over the water  
Spirit come move over us  
Come rest on us come rest on us

(Chorus)           Come down Spirit when You move  
                          You make my heart pound  
                          When You fill the room  
                          You're here and I know You are moving  
                          I'm here and I know You will fill me

Fire and wind come and do it again  
Open up the gates let Heaven on in  
Come rest on us come rest on us

(Bridge)           Holy Spirit, Come rest on us  
                          You're all we want You're all we want

## BREATHE

//This is the air I breathe//  
Your holy presence living in me  
//This is my daily bread//  
Your very word spoken to me

(Chorus)           And I, I'm desperate for You  
                          And I, I'm lost without You

(Ending)           //This is the air I breathe//

## WE FALL DOWN

We fall down, We lay our crowns  
At the feet of Jesus,  
The greatness of mercy and love At the feet of Jesus

(Chorus)           ///And we cry holy, holy, holy/// is the Lamb

## **NOTHING BUT THE BLOOD**

What can wash away my sin? Nothing but the blood of Jesus  
What can make me whole again? Nothing but the blood of Jesus

(Chorus)           O precious is the flow, That makes me white as snow  
                          No other fount I know, Nothing but the blood of Jesus

For my pardon this I see, Nothing but the blood of Jesus  
For my cleansing this my plea, Nothing but the blood of Jesus

Nothing can for sin atone, Nothing but the blood of Jesus  
Naught of good that I have done, Nothing but the blood of Jesus

This is all my hope and peace, Nothing but the blood of Jesus  
This is all my righteousness, Nothing but the blood of Jesus

## **THE DOVE/FRESH WIND**

God was there at the beginning, His Spirit brooding like a dove  
Spoke the earth into existence, Formed creation that He loved  
Man was born of perfect image, Made to be a friend of God  
Meant to dwell within His presence, Yeah, it's where we all belong

(Chorus 1)        Holy Spirit, all we need is more of You  
                          We want more of You

When sin had spoiled creation, The Creator sent a flood  
On the cusp of new beginning, He again released the dove  
And after all the searching it found a place to land, On Christ the perfect Son  
Who would redeem it all again, Looking for the branches it landed on the vine  
The One for our redemption, Who would bridge eternal life

(Chorus 2)        Holy Spirit, the truth, the living water  
                          All we need is more of You, we want more of You  
                          Holy Spirit, the helper and the healer  
                          All we need is more of You, we want more of You

(Bridge)           Let this be an upper room, Light the flame we burn for You  
                          Holy, Holy, Holy Spirit, Like a mighty rushing wind  
                          Pour Your Spirit out again, Holy, Holy, Holy Spirit

(Tag)              //Holy, Holy, Holy Spirit//

It is not by my own earning, To have the Helper at my side  
The gift was fully purchased, When the Lamb was crucified  
So now freely I can ask Him, For His blood has washed me clean  
Let the dove of heaven rest upon the Christ in me

(Tag)                    Let the dove of heaven rest upon the Christ in me  
                                 Holy Spirit, come and rest upon the Christ in me

**(FRESH WIND Chorus)** We need a fresh wind, The fragrance of heaven  
                                 //Pour your spirit out//  
                                 A holy anointing, The power of your presence  
                                 //Pour your spirit out//
