## HOUSE OF THE LORD

We worship the God who was  
We worship the God who is  
We worship the God who evermore will be  
He opened the prison doors  
He parted the raging sea  
My God, He holds the victory, yeah

(Chorus)            There's joy in the house of the Lord  
                          There's joy in the house of the Lord today  
                          And we won't be quiet  
                          We shout out Your praise  
                          There's joy in the house of the Lord  
                          Our God is surely in this place  
                          And we won't be quiet  
                          We shout out Your praise

(Interlude)        We shout out Your praise

We sing to the God who heals  
We sing to the God who saves  
We sing to the God who always makes a way  
'Cause He hung up on that cross  
Then He rose up from that grave  
My God's still rolling stones away

(Bridge)            ('Cause) We were the beggars  
                          Now we're royalty  
                          We were the prisoners  
                          Now we're running free  
                          We are forgiven, accepted  
                          Redeemed by His grace  
                          Let the house of the Lord sing praise

## HOLY SPIRIT

There's nothing worth more that will ever come close  
No thing can compare, You're our living hope  
In Your presence, Lord

I've tasted and seen of the sweetest of loves  
Where my heart becomes free and my shame is undone  
In Your presence, Lord

(Chorus)            Holy Spirit, You are welcome here  
                          Come flood this place and fill the atmosphere  
                          Your glory, God, is what our hearts long for  
                          To be overcome by Your presence, Lord

(Bridge)            Let us become more aware of Your presence  
                          Let us experience the glory of Your goodness

### **HOW DEEP THE FATHER'S LOVE**

How deep the Father's love for us  
How vast beyond all measure  
That He should give His only Son  
To make a wretch His treasure  
How great the pain of searing loss  
The Father turns His face away  
As wounds which mar the Chosen One  
Bring many sons to glory

Behold the Man upon the cross  
My sin upon His shoulders  
Ashamed, I hear my mocking voice  
Call out among the scoffers  
It was my sin that held Him there  
Until it was accomplished  
His dying breath has brought me life  
I know that it is finished

I will not boast in anything  
No gifts, no power, no wisdom  
But I will boast in Jesus Christ  
His death and resurrection  
Why should I gain from His reward?  
I cannot give an answer  
But this I know with all my heart  
His wounds have paid my ransom

## **BROKEN VESSELS (AMAZING GRACE)**

All these pieces, Broken and scattered  
In mercy gathered, Mended and whole  
Empty-handed, But not forsaken, // I've been set free //

(Pre-Chorus)    Amazing grace, How sweet the sound  
                          That saved a wretch like me  
                          I once was lost, But now I am found  
                          Was blind, But now I see

(Chorus)            Oh I can see You now, Oh I can see the love in Your eyes  
                          Laying Yourself down, Raising up the broken to life

You take our failure, You take our weakness  
You set Your treasure In jars of clay  
So, take this heart, Lord, I'll be Your vessel  
The world to see Your life in me

## **MERCY**

I'm living proof Of what the mercy of God can do  
If you knew me then, You'd believe me now  
He turned my whole life upside down  
Took the old and He made it new  
That's just what the mercy of God can do

(Chorus)            Now I'm alive to tell the story, How I've overcome  
                          It's His goodness and mercy And the power of His blood  
                          I'm so glad that my freedom Wasn't based on what I've done  
                          But the goodness and mercy And the power of the blood

I thought I deserved To be six feet beneath the earth  
For all the things I've done, The things I've said  
The choices made that I regret, Oh, I would still be lost  
But for the mercy of God

(Bridge)            Was the cross meant for me, That my Savior carried?  
                          Now I've been made free By the mercy of God  
                          Was the grave meant for me, Where my sin lay buried?  
                          Now I stand redeemed By the mercy of God

(Tag)                It's His goodness and mercy And the power of the blood
