## HOUSE OF THE LORD

We worship the God who was  
We worship the God who is  
We worship the God who evermore will be  
He opened the prison doors  
He parted the raging sea  
My God, He holds the victory, yeah

(Chorus)        There's joy in the house of the Lord  
                      There's joy in the house of the Lord today  
                      And we won't be quiet  
                      We shout out Your praise  
                      There's joy in the house of the Lord  
                      Our God is surely in this place  
                      And we won't be quiet  
                      We shout out Your praise

(Interlude)      We shout out Your praise

We sing to the God who heals  
We sing to the God who saves  
We sing to the God who always makes a way  
'Cause He hung up on that cross  
Then He rose up from that grave  
My God's still rolling stones away

(Bridge)         ('Cause) We were the beggars, Now we're royalty  
                      We were the prisoners, Now we're running free  
                      We are forgiven, accepted, Redeemed by His grace  
                      Let the house of the Lord sing praise

## YET NOT I, BUT THROUGH CHRIST IN ME

What gift of grace is Jesus, my redeemer  
There is no more for heaven now to give  
He is my joy, my righteousness, and freedom  
My steadfast love, my deep and boundless peace  
To this I hold, my hope is only Jesus  
For my life is wholly bound to His  
Oh, how strange and divine, I can sing, "All is mine"  
Yet not I, but through Christ in me

The night is dark, but I am not forsaken  
For by my side, the Savior, He will stay  
I labor on in weakness and rejoicing  
For in my need His power is displayed  
To this I hold, my Shepherd will defend me  
Through the deepest valley He will lead  
Oh, the night has been won, and I shall overcome  
Yet not I, but through Christ in me

No fate I dread, I know I am forgiven  
The future sure, the price, it has been paid  
For Jesus bled and suffered for my pardon  
And He was raised to overthrow the grave  
To this I hold, my sin has been defeated  
Jesus, now and ever is my plea  
Oh, the chains are released, I can sing, "I am free"  
Yet not I, but through Christ in me

With every breath, I long to follow Jesus  
For He has said that He will bring me home  
And day by day, I know He will renew me  
Until I stand with joy before the throne  
To this I hold, my hope is only Jesus  
All the glory evermore to him  
When the race is complete, still my lips shall repeat  
"Yet not I, but through Christ in me"

(Ending)            When the race is complete, still my lips shall repeat  
                         // "Yet not I, but through Christ in me" //

## **BREATHE**

// This is the air I breathe //  
Your holy presence living in me

// This is my daily bread //  
Your very word spoken to me

(Chorus)            And I, I'm desperate for You  
                         And I, I'm lost without You

## CHRIST BE MAGNIFIED

Were creation suddenly articulate  
With a thousand tongues to lift one cry  
Then from north to south and east to west  
We'd hear, "Christ be magnified!"

Were the whole earth echoing His eminence  
His name would burst from sea and sky  
From rivers to the mountaintops  
We'd hear, "Christ be magnified!"

(Chorus)            O! Christ be magnified!  
                         Let His praise arise, Christ be magnified in me  
                         O! Christ be magnified!  
                         From the altar of my life, Christ be magnified in me

When ev'ry creature finds its inmost melody  
And ev'ry human heart its native cry  
O, then in one enraptured hymn of praise  
We'll sing, "Christ be magnified!"

(Bridge 1)            I won't bow to idols  
                         I'll stand strong and worship You  
                         And if it puts me in the fire  
                         I'll rejoice 'cause You're there too  
                         I won't be formed by feelings  
                         I hold fast to what is true  
                         If the cross brings transformation  
                         Then I'll be crucified with You  
                         (You can hang me there with You)

(Bridge 2)            'Cause death is just the doorway  
                         Into resurrection life  
                         If I join You in Your suff'rings  
                         Then I'll join You when You rise  
                         And when You return in glory  
                         With all the angels and the saints  
                         My heart will still be singing  
                         My song will be the same

## LIVING HOPE

How great the chasm that lay between us  
How high the mountain I could not climb  
In desperation I turned to heaven  
And spoke Your name into the night  
Then through the darkness Your loving-kindness  
Tore through the shadows of my soul  
The work is finished, the end is written  
Jesus Christ, my living hope

Who could imagine so great a mercy?  
What heart could fathom such boundless grace?  
The God of ages stepped down from glory  
To wear my sin and bear my shame  
The cross has spoken, I am forgiven  
The King of kings calls me His own  
Beautiful Savior, I'm Yours forever  
Jesus Christ, my living hope

(Chorus)           Hallelujah, praise the One who set me free  
                          Hallelujah, death has lost its grip on me  
                          You have broken every chain  
                          There's salvation in Your name  
                          Jesus Christ, my living hope

Then came the morning that sealed the promise  
Your buried body began to breathe  
Out of the silence the Roaring Lion  
Declared the grave has no claim on me

(REPEAT)

Jesus, Yours is the victory, whoa

(Ending)           Jesus Christ, my living hope  
                          Oh God, You are my living hope
